After the original painting by Walter Severn.

The Loch of the White Fairy (Loch An't Sitheich-Ban). It is evident from the Gaelic name that this picturesque loch, with its curious circle of water lilies, must have been in existence for a great many years. It is situated near Loch Swein, a sea loch in the Sound of Jura, on the west coast of Scotland. The water lilies grow in a perfect circle, not close round the edge of the loch as is generally the case with other lily lochs, but in the centre, having the appearance of a large wreath floating in water.

Dear Emma

See no possible way of coming to you, though it would be such a pleasure, for I find the two places too much for me even with your kind assistance. Cannot possible leave M. Ford — it would undo all the good she has got; Many
